RIC BRETSCHNEIDER
AND ANYONE ELSE WHO SHOWS UP

Some of you never want to stop talking about your favorite software. So this anything-goes session will go anywhere you want it to and for as long as you want it to (after all, we have 24-hour holds on all of our ballrooms...). Microsoft's Ric Bretschneider will be leading the evening and there is a good chance that you will need to raise your right hand and promise that what is said in the room that night stays in the room that night...
