# The Late-Night Guru Session

Our after-dinner entertainment

**RIC BRETSCHNEIDER**  
AND ANYONE ELSE WHO SHOWS UP

Some of you never want to stop talking about your favorite software. So this anything-goes session will go anywhere you want it to and for as long as you want it to (after all, we have 24-hour holds on all of our ballrooms...). The former product manager for PowerPoint, Ric Bretschneider, will be leading the evening and, even though he has left Microsoft (or maybe because of that), there is a good chance that you will need to raise your right hand and promise that what is said in the room that night stays in the room that night...
