Reruns . . . by request

One of the greatest joys of this conference is the abundance of excellent presentations from which to choose. Of course, one of the biggest frustrations is having to make those choices. Here is your chance to catch a repeat performance of the one that you just hated to miss. At the back of this guide, you will find a ballot for voting. Complete it and submit it to Conference Central by 11:00am on Wednesday. We will announce the encores at the end of the lunch break.

These sessions are for all who would like another chance to see a seminar that they missed the first time around.
